Raymond Jennings : Irma Grese Auschwitz: Holocaust and the Secrets of the The Blonde Beast before purchasing it in order to gage whether or not it would be worth my time, and all praised Irma Grese Auschwitz: Holocaust and the Secrets of the The Blonde Beast:

0 of 0 people found the following review helpful. InhumaneBy RhaenysIrma Grese is a monster. The book is an

excellent read on her life and the crimes against humanity she has made. It is astounding to know that someone like her used to exist. The trauma and the torture all those people experienced in her hands are beyond words. She died young at 22, but as I was reading this book, I hoped she died earlier. It is heartbreaking to know that all this came about because of a flawed fanaticism and a traumatic childhood. My childhood isn't pretty but I would never let other people go through what I had been through. She is a very different case. She derived pleasure from it all. Highly disturbing but an excellent read. 0 of 0 people found the following review helpful. good read By Nancy Dows If you want to learn about the German history at the time of the Holocaust in which the Nazi Party under the leadership of Adolf Hitler and their supporters slaughtered killed, brutally beaten approximately 12 million people of Jews, Serbs, communists, gypsies, Soviet prisoners of war then this book will be a very useful read for you. The book at first gives an overview of the war then it provides an overview of the holocaust, then it discusses the life of Irma Grese in particular. As I am interested in history especially the era of the world war 1 and 2 I enjoyed reading this book very much. 0 of 0 people found the following review helpful. I enjoyed reading about the life of Irma Grese By Customer I enjoyed reading about the life of Irma Grese, I know there are lots of books written about her. There are ongoing studies and documentaries about her; however, I doubt that she's a notorious woman as opposed to what others think. Her life is so interesting and I admire that she strongly handle her childhood days. Like her, I was a victim and barely did well at a school. In this book, her father joined the Nazis when she was 14 years old and there are still no findings why Alfred Grese joined the party. However, I am slightly assuming that Irma joined too because she was influenced by her father.

Learn the Secrets of the Holocaust and the Blonde Beast! Do you want to know more about the Holocaust? Are you fascinated by this dark chapter in human history? Do you find it hard to understand? If so, then Irma Grese: Secrets of Irma and the Holocaust is the book you've been looking for. It gives you an overview of the Second World War, and describes the experience of the Holocaust. You'll learn about Irma Grese, a female concentration camp guard who was notorious for her cruelty and dedication to the Nazi party. Irma Grese: Secrets of Irma and the Holocaust is available for Download Now. Because of her gender and youth, Irma Grese remains known today for her crimes against humanity in the camps of Auschwitz and Bergen-Belsen. Executed at 22 years old, she was the youngest woman to die under British law in the 20th century. Irma Grese has gained notoriety as a villain in many diaries, journals, and creative works of Holocaust survivors. She has been studied by historians, psychologists, and psychiatrists across the world. What could cause someone to act as she did? After reading this book, you'll be able to decide for yourself.
