Ahmed Deedat : Is the Bible God's Word? before purchasing it in order to gauge whether or not it would be worth my time, and all praised Is the Bible God's Word?:

1 of 1 people found the following review helpful. Good book By Customer It is a good book or reference to all people. If anyone would like to know more about the faith from Christianity or Islam, it is worth to have it. After anyone read this book, you may know more and more the humanity. It is worth to have it. 2 of 2 people found the following review

helpful. Good in the context of so many versions of the ...By Roberto MarquezGood in the context of so many versions of the Bible that can be misquoted and misunderstand in the use of studies0 of 0 people found the following review helpful. Five StarsBy Mahmoudgreat book I love it

A brief rebuttal to several points of Biblical theology by this well known debater is the subject of this booklet which is one of the authors most popular books.
