one of LTC Steed's courses at the Command and General Staff College. He is a true expert that has been immersed in Middle Eastern Studies--as a practitioner and an academic--for 25 years. I have a master's in Muslim Studies and benefited greatly from his instruction. Whatever your current level of knowledge, I believe this book will take you to the next level.

Providing up-to-date information for general readers as well as those well-informed about the Islamic State, this book offers an essential understanding of the rise of ISIS and its current influence in the Middle East as well as worldwide. Presents the information necessary to understand ISIS: who they are, what they want, and why they represent such a unique problem to counteract.
