Islam UnmaskedBy Trish P.This is an excellent book which tells all about the truth of Islam. Whereas, some would have us believe Islam is just another way to relate to

God, its true teachings are unveiled in this book, together with the behavior that results from putting these teachings into practice. Reading Islam Unmasked will certainly be an enlightening experience for the reader!

America would learn of Islam's tenets on September 11, 2001 when some of its followers would take off their mask of peace and reveal their true face. Since that day many have become lost in the propaganda war. They have become confused about Islam. They have searched for answers to many questions. What are the origins of Islam? Who was Muhammad? Are Allah and God the same? Is Islam a peaceful religion? What is Paradise and who can go there? Is there equality between Muslim men and women? What common ground is there between Christians and Muslims? Islam Unmasked removes the mask of deception and reveals the truth about this ancient religion. Throughout the pages of this illuminating book, you'll learn about the pagan origins of Islam. You'll examine the history of its founder. You'll discover the lies behind its doctrines. You'll see the futility of its practices. You'll find the common ground to talk with Muslims. And you'll realize the power that comes from sharing the love of God with Islam's captives. Islam Unmasked--unmask the lie, discover the truth. (Henry Malone)

Now more than ever it is vital for Christians to act responsibly, compassionately and with discernment toward the world's 1.2 billion Muslims. Dr. Henry Malone has invested decades of personal ministry doing just that. His insightful book is an important contribution to understanding the Islamic world and responding with intelligence and spiritual sensitivity to this paramount challenge to the Church. David Shibley President, Global Advance Dallas, Texas There is an adage that says, The better we know how our enemy fights, the better we'll be equipped to fight him. How true! America was taken off guard when the World Trade Center Towers were demolished on September 11th due to the fact that we didn't know how Islam would fight us. Islam Unmasked by Dr. Henry Malone lays bare from its beginning how founder Muhammad (670A.D.-632A.D.) established an evil religion that had as its goal to conquer every nation. How? Through slavery of women, population increase, forced conversions, training young children, disciplining in our prisons, murder and bloodshed. Yet America calls Islam, a peace-loving people. What does the Koran, their holy book teach? Some 80 percent of the Arabs can't read, write or speak Arabic. It's up to their caliphates (religious leaders) to interpret the Koran for them. They have no word for salvation. Good works alone are recommended to the 1.2 billion Muslims in the world today. The average American, saved or unsaved, knows little about Islam. Unless we become knowledgeable of their plans, and learn how to bring salvation to them through Jesus, we'll lose the battle. We dare not allow Islam to tranquilize us! That's why I recommend so highly you read Islam Unmasked and share it with others. Freda Lindsey Co-Founder, Christ for the Nations Dallas, Texas In a time of much media disinformation, filtered through unholy agendas, this book is a welcome relief. While God loves those of the Islam faith, He does not love the Islam faith itself. In Islam Unmasked, Henry Malone reveals the clear and present danger that Islam presents not only to the Body of Christ, but also to the world. Wise men will heed the warning contained herein.
