DJAOUI ANDRE : Israel, My Home before purchasing it in order to gauge whether or not it would be worth my time, and all praised Israel, My Home:

0 of 0 people found the following review helpful. My mom loved it, and it was for her By Lance Sterling My mom loved it, and it was for her. I'd give it 5 stars, but there are several pictures of past country leaders and stuff. I was under the impression that it would be all beautiful photography like the cover. She's still happy despite 10- 15% of the photos are not landscape scenes. 0 of 0 people found the following review helpful. the pictures are so beautiful and the book is great By surfer girl the pictures are so beautiful and the book is great. it was a gift and it was enjoyed by everyone.

Israel my home is a book about the land of Israel and about the spirit of its people. Israel has inspired many poets, scientists, thinkers and artists from all over the world. The story of this land stretches back to the origin of the world. The exceptional light of its dawns and sunsets lends a sense of infinity to the horizon which is a stark contrast to such an infinitesimal country. This sensation is accentuated by the mirages of the desert, the reflections of clouds in the lakes and seas and the echoes of such familiar names as galil, negev, tiberias and many more. All of them appear as geography in the bible. In Israel, "hatikvah", hope, is not just a word, it is a miracle in the making, reinvented everyday. The notion of a start-up nation was launched in this land centuries ago. Here, the mystical is tangible and time gives the ephemeral a taste of permanence. Israel is unique and multiple. It's the place i have chosen to live. I love it unconditionally. It is my home.

About the Author Andre Djaoui started his career in advertising and became a film producer. In 2008, he decided to start a new life in Israel as an artist. His paintings were exhibited in Tel-Aviv in 2009. He is currently starting writing a

stage play and just completed his first documentary movie, *Israel, My Home*, based on this book.
