From University of Illinois Press : Issei Buddhism in the Americas (Asian American Experience) before purchasing it in order to gage whether or not it would be worth my time, and all praised Issei Buddhism in the Americas (Asian American Experience):

0 of 0 people found the following review helpful. Although written by various authors, it was very readable ...By Kolea777Although written by various authors, it was very readable. Some information have been presented in other books that I have read, but there were new information for me.

While Buddhists in Japan had long described the migration of the religion as travelling from India, across Asia, and ending in Japan, this collection details the movement of Buddhism across the Pacific to the Americas.

"In expanding the geographical frame of scholarly narratives and appealing to new primary sources, *Issei Buddhism in the Americas* opens bold new conversations about Buddhism in the western hemisphere." -- Thomas Tweed
About the Author
Duncan Ryuken Williams is an associate professor of Japanese Buddhism and the chair of the Center for Japanese Studies at the University of California Berkeley. Tomoe Moriya is a professor of international communication at Hannan University, Japan.
