Andre' Trocme' is a wonderful writer, educated, thoughtful and a man who actually lived his beliefs.For more on Andre' Trocme' read. "A Portrait of Pacifists".In reading Jesus and the nonviolent Revolution you cannot help but feel enlightened. A good book for the times we live in!!!1 of 1 people found the following review helpful. Old Testament meets the New TestamentBy Gerson E De LeonExcellent book. Andre

Trocme writes about the essence to be Christian. N.T. Wright Writes in one of his books that the problem we have is that we are not biblical enough and Andre goes throughout the Old Testament jubilee concept and brings it to a practical level. 0 of 0 people found the following review helpful. Four Stars By J. Lasswell Excellent!

Andr Trocm of Le Chambon is famous for his role in saving thousands of Jews from the Nazis during World War II. But his bold deeds did not spring from a void. They were rooted in his understanding of Jesus way of nonviolence an understanding that gave him the remarkable insights contained in this long out-of-print classic. In this book, youll encounter a Jesus you may have never met before a Jesus who not only calls for spiritual transformation, but for practical changes that answer the most perplexing political, economic, and social problems of our time.

This book and especially this newly expanded edition deserves to be more widely known. Trocms focus saves any account of salvation from pietistic distortion His comparison of Gandhi and Jesus is also extremely important. (Stanley Hauerwas, Duke Divinity School) Trocm has the prophetic gift of bypassing doctrinal fluff and cutting to the heart of Jesus message: a stark call for repentance, love, and socio-economic change. Read him with caution: this book may change your life. (Donald Kraybill, author, The Upside-Down Kingdom) This splendid volume deserves wider recognition as the classic it truly is. (Richard Cassidy, author, Paul in Chains) Plough has done scholars, pastors, and laypersons all a great service by reprinting this classic. Not everyone will agree with every detail, but all will feel the compelling force of Trocms cumulative case. This is a book worth pondering at length. (Craig L. Blomberg, Denver Seminary) Language Notes Text: English (translation) Original Language: French About the Author Andr Trocm (1901-1971) is best known as the Protestant pastor of the French village of Le Chambon who organized the rescue of Jews during Nazi occupation. After the war he became a leading voice for peace and reconciliation.
