3 of 3 people found the following review helpful. Must have! By Ashleigh Gifford This is a fantastic set. My kids ages 3-13 are loving it. We have it playing in the car. Voice is really nice to listen too and the stories are relevant and easy to follow. Great for homeschooling history or just for fun listening in the car! 0 of 0 people found the following review helpful. Interesting! By careful consumer Very nicely done! Keeps my child's interest. 2 of 2 people found the following review helpful. Highly recommended for home-schooling or road trips! By R.R. Hillman This is a highly entertaining and informative history set. It left us all wanting Volume 2 when it arrives in 2017! We played it all summer on family trips and everyone, age 6 and up, listened intently. The car was much quieter with these playing.... Highly recommended for home-schooling or just filling the dead time in the car while traveling. For home-schooling in the car, I would pause the cd at the end of each 10 minute chapter and do an oral "review test" with the kids. The sound effects, stories, and history are told in a way that made us all LIKE learning history!

Talented voice actor and audio book producer Kevin Gallagher returns to bring children the history of the world in this riveting reading of The Story of Civilization: The Ancient World. This follows his immensely popular reading of TAN Books The Story of the Bible. Your children will be transported back in time through the sound effects, music and voice acting that complements the reading of the text. Whether looking for entertainment on a long road trip, enhancing the experience with the text, or catering to the needs of a child with a reading disability this audio dramatization will open up a new world of adventure for kids of all ages. Did You Know. That young people in the

Minoan culture participated in bull leaping games? That King Xerxes of Persia once ordered his soldiers to whip the waves when the ocean became rocky beneath their boats? That the Greek inventor, Archimedes, built a giant heat ray to protect his hometown, catching enemy ships on fire through the use of sunbeams? That the powerful Carthaginian general, Hannibal, used elephants to march his army over the Alps on his way to attack Rome? That Julius Caesar of Rome fell in love with the famous Cleopatra of Egypt? Embark on the journey now to learn of all these wonders and more! The Story of Civilization has seven products and uses the "schoolhouse model" so that kids of all ages can engage with the content. How old the child is determines which products he or she will use. The Dramatized Audio Book can be used by children from 1st Grade all the way to 8th. Younger children can listen without the book and let their imaginations run wild with all the stories, while older children can use it as a way to enhance their reading experience.
