Omer Salem : The Struggle for the Holy Land: The Quest for Harmony between the Bible and the Qur'an before purchasing it in order to gage whether or not it would be worth my time, and all praised The Struggle for the Holy Land: The Quest for Harmony between the Bible and the Qur'an:

"I just read through your paper and enjoyed the perspective you shared in it. It is very compelling vision for inter-religious peace." Stephen J. Davis Professor of Religious Studies Yale University, New Haven, Connecticut, USA

"Thanks for sending on the paper to me. I think that perhaps the greatest contribution of your piece is its strength in giving listeners the sense that Israel and the Arab world have very different concerns vis a vis the Holy Land. By bringing this to the forefront, you really illuminate much of what has been a roadblock to agreement--the parties are talking past one another." Phillip I. Exchangeabilities Assistant Professor of Jewish Studies and Law Affiliated Assistant Professor of Islamic Studies and History Vanderbilt University, Nashville, Tennessee, USA
