Buddhist Movement:

This is the story of a circle of friends dreaming a dream, and working to make it a reality. . . . Its the nitty-gritty story of how a community evolves. Its a story of idealism and naivety, growth and growing pains, hard work and burn-out, friendship and fall-out. This book tells the story of an international Buddhist movement, from its inception in London to its growth worldwide. It is the story of mistakes made, lessons learned, and how a Buddhist community was built. Vajragupta is the author of the best-selling Buddhism: Tools for Living your Life.
