Paul C. Mocombe : The Vodou Ethic and the Spirit of Communism: The Practical Consciousness of the African People of Haiti before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vodou Ethic and the Spirit of Communism: The Practical Consciousness of the African People of Haiti:

Using a variant of structuration theory, what Paul C. Mocombe calls phenomenological structuralism, this work explores and highlights how the African religion of Vodou and its ethic gave rise to the Haitian spirit of communism and the counter-plantation system (Jean Casimir's term) in the provinces and mountains of Haiti.

About the Author Paul C.
