Swami Lokeswarananda : The Way to God: As Taught by Sri Ramakrishna before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Way to God: As Taught by Sri Ramakrishna:

3 of 3 people found the following review helpful. A wonderful treatise on Practical Vedanta By Amit Sengupta This book is simply wonderful. It gives a great insight into what the term RELIGION means with context to INDIA. From a novice to the scholar (of Hinduism or Comparative Religion) - all will read this book with rapt attention from cover to cover. This book is actually a compilation of the discourses on the GOSPEL OF SRI RAMAKRISHNA delivered by

the author. However, it is enriched by the references to various religious texts and their relevance when viewed in the light of the teachings of a modern saint as SRI RAMAKRISHNA, a Hindu saint from India (1836 - 1886). The author was a monastic who lived a life based on the principles of Practical Vedanta and was a living example of a person who had attained the highest spiritual knowledge. His other writings on the Upanishads and the series of editorials he wrote for the Bulletin of The Ramakrishna Mission Institute of Culture is a treasure-trove for the student of VEDANTA, HINDUISM or COMPARATIVE RELIGION.

Based on a series of talks about the teachings within The Gospel of Sri Ramakrishna by the well-respected and much loved swami of the Ramakrishna Order. The author's clear commentary is based on his comprehensive knowledge of Sri Ramakrishna, his disciples, and Indian spirituality as a whole.

From the Back Cover The Way to God As Taught by Sri Ramakrishna is an exploration of Sri Ramakrishna's central teachings, as recorded by M. Swami Lokeswarananda's lucid commentary is informed by a wealth of information concerning Sri Ramakrishna, his disciples, and Indian spirituality as a whole. This book offers inspiration and practical guidance to spiritual aspirants of all religious persuasions. About the Author Swami Lokeswarananda was until his passing a senior monk of the Ramakrishna Order. As an internationally recognized speaker and writer, he has lectured at universities throughout the world, including Oxford, Cambridge, in England and the Sorbonne in France. He was head of the Ramakrishna Institute of Culture.
