Himanshu P. Ray : The Winds of Change: Buddhism and the Maritime Links of Early South Asia before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winds of Change: Buddhism and the Maritime Links of Early South Asia:

A pioneering study which challenges the conventional view about the importance of Roman and Arab seafarers to maritime trade in South Asia. It argues that Buddhism provided the structure necessary for the remarkable upsurge in trade in the period 400 BC to AD 400, using archaeological, literary and ethnographic evidence, much of it unpublished.
