From imusti : The Witches' Almanac, Issue 36, Spring 2017-2018: Water, Our Primal Source before purchasing it in order to gage whether or not it would be worth my time, and all praised The Witches' Almanac, Issue 36, Spring 2017-2018: Water, Our Primal Source:

3 of 3 people found the following review helpful. If you like astrology, you will like this annual almanac!By PoppyI love this annual book. Fun reading throughout the year. It has a lot of different things. Short stories, astrology for your

sign for the year. Moon cycles and a whole lot of fun things! I paid full price for this and this is my honest feedback. 1 of 1 people found the following review helpful. No one should be without one! By lafranoa great collection of lore and facts. I have followed this publication since the 1970's and have every issue. It's a wonderful reference. 0 of 0 people found the following review helpful. but is still an Excellent and Interesting book! By LadySelenel I have been getting this for well over 20 years. It has changed, but is still an Excellent and Interesting book ;)

Founded in 1971 by Elizabeth Pepper, the art director of Gourmet magazine for many years, The Witches' Almanac is a witty, literate, and sophisticated publication that appeals to general readers as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystical enthusiast. Modeled after the Old Farmers' Almanac, it includes information related to the annual Moon calendar (weather forecasts and horoscopes) as well as legends, rituals, herbal secrets, mystic incantations, interviews, and many a curious tale of good and evil. Although it is an annual publication, only about 15 percent of the content is specific to the date range of each issue. The Witches' Almanac features more than 140 pages of interesting and timeless articles about witchcraft, magic, herbalism, charms, spells, and related topics written by authors from the witchcraft and magical communities. The theme of Issue 36 (Spring 2017 - Spring 2018) is Water: Our Primal Source. Included are "The Coffin Ring," "A Beekeeper's Year," "The Margate Grotto," "Speaking in Tongues," "Poppets," and "Thomas the Rhymer."

About the Author Theitic is a prominent member of the New England pagan community. He became editor/publisher of The Witches' Almanac Ltd. upon the death of founder Elizabeth Pepper in 2005. Theitic lives in Rhode Island. Visit him at www.thewitchesalmanac.com.
