**Susan Migden Socolow : The Women of Colonial Latin America (New Approaches to the Americas)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Women of Colonial Latin America (New Approaches to the Americas):

1 of 2 people found the following review helpful. Excellent read By Raquel In particular I was interested in Chapter 7 on Brides of Christ and Other Religious Women. Fascinating read which takes into account race and class dynamics as

well as the ways in which the politics of the lay society were reflected within the walls of the convents and monasteries.

In this second edition of her acclaimed volume, *The Women of Colonial Latin America*, Susan Migden Socolow has revised substantial portions of the book - incorporating new topics and illustrative cases that significantly expand topics addressed in the first edition; updating historiography; and adding new material on poor, rural, indigenous, and slave women.

of previous edition: "A nuanced, well-balanced overview of all kinds of colonial Latin American women and every facet of their lives ... [It] will appeal to historians in general and the general public and it should be very successful in undergraduate classes on Latin American women." *Hispanic American Historical* of previous edition: "A valuable introduction to the history of women in colonial Latin America, especially Spanish America, and will be particularly useful in introductory survey courses, making readily accessible the research and interpretive analyses of a generation of scholars." *The Americas* of previous edition: "Tracing the history of Latin American women from 1492 until the independence era in the early nineteenth century might seem like a daunting task for writer and reader alike, but Socolow displays a striking ability to cut to the heart of the matter. In clear, concise prose she outlines major historical developments, notes exceptions and counter tendencies, and gives intriguing examples." *Journal of World History*  
About the Author Susan Migden Socolow is Samuel Candler Dobbs Professor of Latin American History at Emory University.
