6 of 6 people found the following review helpful. Still a Must Have Book! By Mr. Dana An annual must-have! As mentioned in my previous reviews, I've been getting this publication every year for nearly forty years now, and my dad bought for years before that. It the perfect size, filled with interesting, fascinating, and other essential information. 3 of 3 people found the following review helpful. I love my copy By D. V. LIPPERT For all you Jeopardy fans, this is the book to get! I love my copy. World's tallest building? Check. Deadliest tornado? Check. Most NHL

goals in a season? Done and done. The only gripe I have with the book is the small print. If you have bad eyesight get the hardcover copy instead. It costs more but the type is much larger! Worth the money. Very entertaining book. 3 of 3 people found the following review helpful. Great for the interested learner... By Mrs. LAKI gave this to my son for the holidays and he is enjoying it immensely. It is very thick and has small printing but his eyes are healthy for reading. Lots of colorful diagrams, maps and flags and filled with a wide assortment of information.
