Ned Sublette : The World That Made New Orleans: From Spanish Silver to Congo Square before purchasing it in order to gage whether or not it would be worth my time, and all praised The World That Made New Orleans: From Spanish Silver to Congo Square:

5 of 5 people found the following review helpful. ... New Orleans history and this is one of the best. Sublette's deep research into the "World that madeBy Randall BellI have read dozens of books on New Orleans history and this is one

of the best. Sublette's deep research into the "World that made..." really illuminates how NO became what it is today, the mix of cultures, music, food, architectures etc., Full of fascinating facts and stories, threaded with a informed analysis. His erudition and fine writing make this a pleasure to read Read it and pass on to others who are curious about the by the history of one of America's greatest cities and cultural treasures..0 of 0 people found the following review helpful. A great book about New Orleans and music and slavery and the history of our countryBy tribecanA beautiful and wise book about the history of New Orleans, with fascinating insights into its many connections with the Caribbean and the old world and the rest of the United States, with particular insight into the musical history of our most musical city.1 of 1 people found the following review helpful. A must read. Excellent book.By VS123An excellent read. It will teach you what you DIDNT learn in American history class. A great book about where different slaves came from and how they affect the culture of the South and ultimately America.

Named one of the Top 10 Books of 2008 by The Times-Picayune.
