Edward Chiera : They Wrote on Clay: The Babylonian Tablets Speak To-day before purchasing it in order to gauge whether or not it would be worth my time, and all praised They Wrote on Clay: The Babylonian Tablets Speak To-day:

Originally published in 1939, this book contains an assessment of the historical evidence provided by ancient

Babylonian cuneiform tablets. The text is accompanied by a number of photographs of the tablets, as well as of important archaeological sites and Babylonian artefacts. Chiera's enthusiasm for his subject is clear, as the text is accessibly written and contains many Babylonian legends and assesses their relationship to biblical texts. This book will be of value to anyone with an interest in Assyriology and the ancient Middle East.
