John Hollitz : Thinking Through the Past: A Critical Thinking Approach to U.S. History, Fifth Edition (Volume II Since 1865) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thinking Through the Past: A Critical Thinking Approach to U.S. History, Fifth Edition (Volume II Since 1865):

0 of 0 people found the following review helpful. Doesn't work an no refund options for this rentalBy Angel MelvinThe book is not compatible with the PC kindle app (it keeps saying "title not available for Windows 8" on a Windows 10 laptop) We can't read it in a browser either. There are NO options of "returning" it early and getting a refund, nor contacting customer support directly about this issue. It would be great if there was at least a contact option to get help or a refund. Very disappointed.0 of 0 people found the following review helpful. great productBy RAFAEL HUERTAgreat product0 of 0 people found the following review helpful. which is fine I guess so long as I don't get blamed ...By Mark HewittThis book was missing several pages which I photo -copied from my professor. A whole lot of highlighting and scribble, which is fine I guess so long as I don't get blamed for it.

This anthology for U.S. history gives readers the opportunity to apply critical thinking skills to the examination of historical sources, providing pedagogy and background information to help them draw substantive conclusions. The careful organization and the context provided in each chapter make the material accessible, allowing readers to gain some interesting insights into American history.

"The book exposes students to the skills used by historians for research and develops critical thinking. It fills a unique niche for survey level history courses." "I have perused and used many different document anthologies. I found Hollitz's work to be particularly engaging." About the AuthorJohn Hollitz received his Ph.D from the University of Wisconsin in 1981 and has been professor of history at the Community College of Southern Nevada since 1992. Previously, he taught at California State University, Chico. In addition to *CONTENDING VOICES*, he has also authored a critical thinking reader, *THINKING THROUGH THE PAST*, 5th Edition (Cengage, 2014). Dr. Hollitz is a dedicated teacher of the U.S. History survey course.
