**Thomas E. Keefe : This Day in Genocide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised This Day in Genocide:

1 of 1 people found the following review helpful. Reads almost like a diary By Jason Parr A fascinating read. Well researched and with personal insight creating a captivating blend of peeling away layers to get to the truth. Reads almost like a diary, which gives a very personal feel on such a difficult subject matter. I do hope bringing light to the subject of genocide will help our global society strive for action. This day in Genocide is a great contribution on the

subject of mass extinction.

This book is a collage of significant events in the history of genocide. Told in an almost diary format, *This Day in Genocide* weaves together an overview of genocide. In the way each entry, catches a sense of choice and the human capacity to do good or evil.

About the Author Tom Keefe (b.1973) was born in Wakefield and raised in nearby Peace Dale, RI. After attending Msgr. Clarke Grammar School and Bishop Hendricken High School, Tom attended Saint Josephs University in Philadelphia. Tom pursued a degree in history, completing an independent course of study on US Government Policy toward Native Americans. While at SJU, Tom also completed a course sequence on Comparative Theology. Later earning the Lyndon Baines Johnson Award for Congressional Internships, Tom also worked at the U.S. House of Representatives. He has taught English, Religion, and History at a variety of schools in MA, RI, and CO. Completing his Masters in Diplomacy, Tom has focused his continuing research on genocide education, social justice, and comparative theology. He currently resides in the Denver metro area where he is an Asst. Professor of Humanities at the Rocky Mountain College of Art + Design, a guest lecturer on topics related to genocide and publishes a blog on *This Day in Genocide*. Tom is also the author of *Bashir the Boxer Turtle*, a children's storybook and primer for topics on discrimination, as well as the novel *My Journey: A Life According to God* and *Reflections: Catholic Education in Rhode Island*.
