I assumed that is says annual 2013 it would be about 2013. NO it was published in 2013 about 2012... I wanted a book covering the year 2013 - seems I have to buy the 2014 to get this..... odd to me.0 of 0 people found the following review helpful. Excellent!By David GeboReally enjoyed the 2013 Year in Review by Time. Gave it as a gift to my Chinese student and friend and it was VERY well received. Great gift idea to give those outside the US as a peek inside American culture and how we (as US citizens) view the world.Very pleased!0 of 0 people found the following review helpful. Great Gift for GrandchildrenBy HSCI have brought one for each of my

daughters (3) families starting the year of each daughter's first born. I plan to continue through until their last child is 18. Great resource for quick look back at what happen when PLUS being a photo buff I really enjoy the photos.
