DK : Timelines of History before purchasing it in order to gauge whether or not it would be worth my time, and all praised Timelines of History:

0 of 0 people found the following review helpful. Stunning Book By LinWow! What a book! As described, detailed and beautiful...a book that will be used for a lifetime. I'm certain that it will be appreciated by our grandson. Highest recommendations. 1 of 1 people found the following review helpful. good, interesting book, lot of pictures By genewould have preferred more about the people and how they evolved...a lot of material I wanted was just not there...but, a good overview was ...I was more into man evolution than the history bit of the countries....otherwise, a good general education novel... 0 of 0 people found the following review helpful. Three Stars By Gaspare di Campobello God presentation in chronicle order, but does lack some meaningful dialogue.

Now in paperback, Timelines of History takes readers through the history of cultures and nations around the world from the emergence of our earliest African ancestors to the present day. Dynamic timeline spreads, features on

influential people, places, events and innovations, and easily accessible cross-references all build into a narrative that takes readers back and forth through time. Timelines of History makes the past accessible to all families, students, and the general reader.

"The Smithsonian timetables book is more of a coffee table adventure, lavishly put together with artful spreads."
