Jerry Bentley, Herbert Ziegler, Heather Streets Salter Director of World History Programs : Traditions Encounters: A Global Perspective on the Past, Vol.2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditions Encounters: A Global Perspective on the Past, Vol.2:

0 of 0 people found the following review helpful. very wordy and not easy to readBy jessi karzenAs textbooks go, this book is very, very wordy and not easy to read. And it is very pricey. 0 of 0 people found the following review helpful. Five StarsBy Dawn SnyderA+0 of 0 people found the following review helpful. Rented this book. It came in shambles with pages ...By clammRented this book. It came in shambles with pages falling out and the cover busted to heck.The book itself is awkwardly written and carves a very strange and non-linear path through history.I quit using the book a week into class and just used wikipedia.

Traditions Encounters offers an inclusive vision of the global pastone that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-

part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history's stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

About the Author Jerry H. Bentley was professor of history at the University of Hawaii and editor of the *Journal of World History*. His research on the religious, moral, and political writings of Renaissance humanists led to the publication of *Humanists and Holy Writ: New Testament Scholarship in the Renaissance* (Princeton, 1983) and *Politics and Culture in Renaissance Naples* (Princeton, 1987). More recently, his research was concentrated on global history and particularly on processes of cross-cultural interaction. His book *Old World Encounters: Cross-Cultural Contacts and Exchanges in Pre-Modern Times* (New York, 1993) examines processes of cultural exchange and religious conversion before the modern era, and his pamphlet *Shapes of World History in Twentieth-Century Scholarship* (Washington, D.C., 1996) discusses the historiography of world history. His most recent publication is *The Oxford Handbook of World History* (Oxford, 2011), and he served as a member of the editorial team preparing the forthcoming *Cambridge History of the World*. Jerry Bentley passed away in July 2012.
