**Carroll Quigley : Tragedy Hope: A History of the World in Our Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tragedy Hope: A History of the World in Our Time:

58 of 61 people found the following review helpful. The most important book to read in your lifetimeBy Robert LIf it was mandatory for every adult above the age of 18 to read this book and take a class on it,fully understanding its contents....Then every banker, Rothchild, Rockefeller and Morgan would be hanging from lamps by their genitalsacross this country and there would be no more wars, 'terrorism', depreciation, inflation, and corruption3 of 3

people found the following review helpful. alert-- this ed. has NO INDEX (but index avail online)By Kirstin SteeleI am commenting on this reprint edition, which was printed without an index. I confess to not having known the printing/destroying history to this, but seems like if someone found a copy from which to republish, they would have also found the index. This is a slow load but there is an online version with index: [...]1 of 1 people found the following review helpful. Informative and entertainingBy JGB\_LAXGood review and analyses of recent history. Tends to be a bit on the 1960's liberal slant, but the analyses were generally valid. Some of the reviews of the late 1960's era were prone to psycho-babble, but discussions of post-war events up to about 1965 were quite good. Seemed to do a good job of giving the behind-the-scenes insights into events.

**UNCENSORED!** Tragedy Hope: A History of the World in Our Time by Carroll Quigley is the ultimate insider admission of a secret global elite that has impacted nearly every modern historical event. Learn how the Anglo-American banking elite were able to secretly establish and maintain their global power. This massive hardcover book of 1348 pages provides a detailed world history beginning with the industrial revolution and imperialism through two world wars, a global depression and the rise of communism. Tragedy Hope is the definitive work on the world's power structure and an essential source material for understanding the history, goals and actions of the New World Order. **THE ONLY AUTHORIZED VERSION AFTER 1ST PRINT.**

About the AuthorCarroll Quigley (1910-1977) was a highly respected professor at the School of Foreign Service at Georgetown University. He was an instructor at Princeton and Harvard; a consultant to the U.S. Department of Defense, the House Committee on Astronautics and Space Exploration; and the U.S. Navy.
