Stuart Rose : Transforming the World: Bringing the New Age into Focus before purchasing it in order to gage whether or not it would be worth my time, and all praised Transforming the World: Bringing the New Age into Focus:

This study provides a comprehensive and balanced view of the New Age through formal studies and original research. Equal attention is accorded to practices and institutions illustrating the New Age as a concrete, living enterprise, not merely a philosophy. The book offers a thorough study of major writings by British, American and other commentators, detailed ethnographic testimony, and a broad survey of the New Age phenomenon in all its aspects.

About the AuthorThe Author: Stuart Rose was a senior director in one of the worlds largest advertising agency groups. He then studied religion at Lancaster University and has been an Honorary Post-Doctoral Research Associate at Bath Spa University College. He is now an independent researcher of key religious themes and has published a number of papers.
