Robert Del Tredici : Trungpa Photographs before purchasing it in order to gage whether or not it would be worth my time, and all praised Trungpa Photographs:

Since Trungpa Rinpoche's death in 1987, many people have talked about the need for a book of photographs of his life. Now, finally, it's here: a book of 240 black-and-white photographs taken from 1972 to 1982 at Karme-Choling, Vermont, and Boulder, Colorado. Thank you, Bob! Of the many great photographic images of Trungpa Rinpoche, Del Tredici's black-and-whites stand out. Some are iconic shots that we all know and love. Others have rarely been seen. TRUNGPA PHOTOGRAPHS is a fulsome collation of Del Tredici's work, a feast for the eyes, for Trungpa's students, and for the world at large. -- The Chronicles of Chogyam Trungpa website.
