review helpful. If You Read Only One Book About The Rebbe, Make It This OneBy Richard A. BuckbergRabbi Miller's book is very well researched, scholarly but readable and compelling. It is the most informative of the 3 recent biographies. After reading all 3, I can clearly say that from this book I learned more about The Rebbe, gained more insight into who and what he was (and wasn't), and left with more admiration, compared to the other 2. This book is not as personal as Rabbi Steinsalz book'. It is not as fawning as Rabbi Telushkin's book. It is as objective as one can get when one is an admitted chasid of The Rebbe. There is fact and detail blended seamlessly with the magic of a true tzaddik. Highly recommended.0 of 0 people found the following review helpful. Five StarsBy M. B.WONDERFUL BOOK; VERY INTERESTING INFORMATION

Rabbi Menachem Mendel Schneerson (1902-1994), the Lubavitcher Rebbe, took an insular Chasidic group that was almost decimated by the Holocaust and transformed it into one of the most influential and controversial forces in world Jewry. This superbly crafted biography draws on recently uncovered documents and archives of personal correspondence, painting an exceptionally human and charming portrait of a man who was well known but little understood. With a sharp attention to detail and an effortless style, Chaim Miller takes us on a soaring journey through the life, mind and struggles of one of the most interesting religious personalities of the Twentieth Century. Only truly great biographers have been able to accomplish what Chaim Miller has with this book... I am awed by his work, and am now even more awed than ever before by the Rebbes personality and prodigious accomplishments. Rabbi Dr. Tzvi Hersh Weinreb, Executive Vice President Emeritus, Orthodox Union; Editor-in-Chief, Koren-Steinsaltz Talmud "A riveting biography. this will prove to be a fascinating read even for those distant from Chabad or who knew little about this dominant figure in Jewish life." Malcolm Hoenlein, Executive Vice Chairman, Conference of Presidents of Major American Jewish Organizations.
