**Chief Kenneth B. Harris : Visitors Who Never Left: The Origin of the People of Damelahamid** before purchasing it in order to gage whether or not it would be worth my time, and all praised Visitors Who Never Left: The Origin of the People of Damelahamid:

0 of 4 people found the following review helpful. A good start. By A Customer Being an anthropology student, I found this book a bit of a let down. I am from the same house as Mr. Harris and I could have wrote it better. Nevertheless, it is an easy read.

These legends, translated by Chief Kenneth Harris, tell of the origin of the Native people who live in the region between the Skeena and Nass rivers of British Columbia. Other stories tell of occurrences particularly significant in the 'history' of the people -- the origins of the 'Killer Whale' and 'Thunderbird Twtjea-adku,' and the revenge of 'Medeek,' the great bear who rose from the lake to punish people for breaking 'the law.'

s of this title are not available at this time. About the Author Chief Kenneth Harris (translator) inherited the title Hagbegwatku, 'first-born of the nation,' from his uncle Chief Arthur McDames who recorded the tapes from which these translations have been made.
