**Robert W. Strayer : Ways of the World: A Brief Global History with Sources, Combined Volume** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ways of the World: A Brief Global History with Sources, Combined Volume:

5 of 5 people found the following review helpful. Best history book I expect to ever read.By JimmyThe only history book that I have ever liked reading. Not only does it teach you about history, it teaches you about connections in history and through great writing.3 of 3 people found the following review helpful. fairly easy readBy RobsyI had to get this book for a class, but it is fairly easy to understand and does give good information. The sources at the end of each chapter are very interesting to read, and give more insight into the area covered in that chapter.1 of 1 people found the following review helpful. Not the same as the paperback version WITH SOURCESBy Spencer MarshallDoes not come with the considering the evidence sections at the end of each chapter. That is what with

sources means, so now I have to go to the library and copy a bunch of pages that are not in this version.

The source for world history - narrative and primary sources in one book *Ways of the World* is one of the most successful and innovative new textbooks for world history in recent years. This 2-in-1 textbook and reader includes a brief-by-design narrative that is truly global and focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer, a pioneer in the world history movement with years of classroom experience, provides a thoughtful and insightful synthesis that helps students see the big picture. Following each chapter's narrative are collections of primary written and visual sources organized around a particular theme, issue, or question so that students can consider the evidence the way historians do. The second edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology. Also available in number of affordable print and digital editions, including an edition without sources.

About the Author Robert W. Strayer (PhD, University of Wisconsin) taught African, Soviet, and world history for many years at SUNY College at Brockport, where he received Chancellor's Awards for Excellence in Teaching and for Excellence in Scholarship. In 1998 he was visiting professor of world and Soviet history at the University of Canterbury in Christchurch, New Zealand. Since 2002, he has taught world history at the University of California, Santa Cruz; California State University, Monterey Bay; and Cabrillo College.
