Irene Levin Berman : 'We Are Going to Pick Potatoes': Norway and the Holocaust, The Untold Story before purchasing it in order to gage whether or not it would be worth my time, and all praised 'We Are Going to Pick Potatoes': Norway and the Holocaust, The Untold Story:

This book tells of growing up Jewish in Norway during and after WWII. As a young child, the author escaped from the Nazis to neutral Sweden with her immediate family. The author's identity as a Norwegian and a Jew led her to explore previously unopened doors in writing this memoir.
