A. Daniel Frankforter, William M. Spellman : West,The: A Narrative History, Volume One: To 1660 (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised West,The: A Narrative History, Volume One: To 1660 (3rd Edition):

0 of 0 people found the following review helpful. I like this text because I feel like I'm reading someone's ...By CustomerInformation is presented in a clear manner. I like this text because I feel like I'm reading someone's own words and not just a monotonous textbook. The authors do a great job of keeping the material interesting.0 of 0 people

found the following review helpful. Meh...By KaityThe book arrived on time, but looked like it went through a lot. Overall it was okay.0 of 0 people found the following review helpful. Fortunately it is written for a common student to understandBy SnapANeeded the book for a college class. Fortunately it is written for a common student to understand. I find this book excellent for what it is.

The book students will read: Concise. Relevant. Accessible. The West: A Narrative History is a concise but not abridged introduction to the West, encompassing all cultures that trace their ancestry to the ancient Mediterranean world. It is not a reduced version of a larger study, but a full narrative of the West written concisely. This learning program is built around a Key Question in every chapter, a feature that shows students why western civilization is relevant for them. Students will discover the key questions that define the past are in many ways the same key questions of today. Since students often see conflict between a Christian West and an Islamic East in todays society, the authors highlight the ongoing role the Middle East has played in shaping the West. Students will understand the links between people of the West and those in other regions.The West is an accessible program available in several formats to give instructors and students more choices and more ways to save. With the release of the 3rd edition, The West becomes an integrated program tied closely to the new MyHistoryLab.A better teaching and learning experience This program will provide a better teaching and learning experiencefor you and your students. Heres how: Personalize Learning The new MyHistoryLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.

It remains the best textbook on the topic available...It deserves to be even better known. -Jonathan Perry, University of South Florida The questions at the beginning and questions revisited at the ends of the chapters are a great innovation-- and they're helpful to the teacher. Great idea. -Preston Jones, John Brown University
