Dennis Sherman : Western Civilization: Sources, Images, and Interpretations, Volume 2, Since 1660 before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Civilization: Sources, Images, and Interpretations, Volume 2, Since 1660:

This collection of primary, secondary, and visual sources for the Western Civilization survey course provides a broad introduction to the materials historians use, the interpretations historians make, and hundreds of years of Western civilization. Its broad selection of documents, photographs, maps, and charts, and its full array of accompanying commentaries--drawn from a balanced spectrum of perspectives and approaches--offer valuable insight into the work

of historians and provide the context that helps students understand the texts' full historical significance.
