Cheap and great for college. By Hannah I bought this for my western civ class in bible college. Way cheaper than purchasing it for \$20! Useful on kindle.

Master Your Coursework with Collins College Outlines
The Collins College Outline for Western Civilization to 1500 covers all major events from the earliest known civilizations of Egypt and Sumer to the Greek and Roman Empires through the feudal times, the Middle Ages and the Renaissance, finally concluding with the threshold of the Modern Age. Completely revised and updated by Dr. John Chuchiak, Western Civilization to 1500 includes a test yourself section with answers and complete explanations at the end of each chapter. Also included are bibliographies for further reading, as well as maps, timelines, and illustrations. The Collins College Outlines are a completely revised, in-depth series of study guides for all areas of study, including the Humanities, Social Sciences, Mathematics, Science, Language, History, and Business. Featuring the most up-to-date information, each book is written by a seasoned professor in the field and focuses on a simplified and general overview of the subject for college students and, where appropriate, Advanced Placement students. Each Collins College Outline is fully integrated with the major curriculum for its subject and is a perfect supplement for any standard textbook.
