Jackson J. Spielvogel : Western Civilization: Volume C: Since 1789 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Western Civilization: Volume C: Since 1789:

Join the more than one million students who have used Spielvogel's texts to be successful in their Western civilization course. There's a reason why WESTERN CIVILIZATION is a best seller: it makes history come alive. The book is also loaded with extras, such as primary source features that highlight real voices from the past, plus end-of-chapter study aids to help you prepare for exams. Colorful maps and visuals, plus dramatic first-hand historical accounts, combine to bring to life the stories of the people and events that have shaped Western civilization.

"Spielvogel is the standard for Western Civilization." "I have been teaching Western Civilization for almost twenty

years and have, at one time or another, assigned many of Spielvogel's competitors. But once I adopted Spielvogel I have consistently used it and recommended to my adjuncts that they do the same. It is the best Western Civ. text on the market." "The author strikes a very good balance between being comprehensive without drowning students in detail. All of the chapters are strong, which is a big reason that I use the book." About the Author Jackson J. Spielvogel is Associate Professor Emeritus of History at The Pennsylvania State University.
