Judith Coffin, Robert Stacey : Western Civilizations (Second Brief Edition) (Vol. One-Volume) before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Civilizations (Second Brief Edition) (Vol. One-Volume):

1 of 1 people found the following review helpful. Excellent textbook. I still use it frequently as reference. By Susan M. Lugar "Suzy" Oliver This book is very easy to follow for college students of average reading ability and high school students with good vocabularies. The book covers most of the major civilizations that shaped Western culture as we know it today. It is so good that my son who is a college student kept swiping it, causing me to need to purchase another copy. I use it as reference now in tutoring some middle school students who are homeschooled. 2 of 2 people found the following review helpful. Hated the class but kept the book By Jane Doe I was forced to purchase this book for a horrible online class, but in the end I enjoyed it so much, I kept it after class was over. The text was easily read, and had great flow. The authors presented the material in an interesting and absorbable fashion. It may be an older

edition, but if you would like a great book about western civilization this is it. Enjoy it. I still do 3 years later. 0 of 0 people found the following review helpful. This Book Makes History Live By Joanna69 Judith Coffin is an excellent historian and writer. Even though this is a history text book it is so accurate and well written I find myself re-reading it simply because I I enjoy the subject so much.

Used by over one million students, *Western Civilizations* is renowned for its balanced presentation, clear prose, and exceptional treatment of the West in a global context. In the Brief Second Edition, the authors maintain the breadth, elegant design, and pedagogical tools of the full edition all at a price students can afford.

About the Author Judith Coffin (Ph.D. Yale University) is Associate Professor at the University of Texas, Austin, where she won University of Texas President's Associates' Award for Teaching Excellence. Previously, she taught at Harvard University and the University of California, Riverside. Her research interests are the social and cultural history of gender, mass culture, slavery, race relations, and colonialism. She is the author of *The Politics of Women's Work: The Paris Garment Trades, 1750-1915*. Robert Stacey (Ph.D. Yale University) is Professor of History, Dean of the Humanities, and a member of the Jewish Studies faculty at the University of Washington, Seattle. A long-time teacher of Western civilizations and medieval European history, he has received Distinguished Teaching Awards from both the University of Washington and Yale University, where he taught from 1984 to 1988. He has authored and coauthored four books, including a textbook, *The Making of England to 1399*. He holds an M.A. from Oxford University and a Ph.D. from Yale.
