Joshua Cole, Carol Symes : Western Civilizations: Their History Their Culture (Eighteenth Edition) (Vol. 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Western Civilizations: Their History Their Culture (Eighteenth Edition) (Vol. 1):

2 of 2 people found the following review helpful. Decent book at a great price By Hope Boggs This book has everything the hardback does, yet it is not easily maneuvered through. If you get this version, please only get it for one class, not an extended period of time or for more classes. The graphics are wonderful and I enjoyed being able to zoom in. 0 of 0 people found the following review helpful. Another overpriced college textbook. By James Meh. Another overpriced textbook. Its better than many but is a clear money grab because its actual content is surprisingly bare bones. 0 of 0 people found the following review helpful. useful for class By DuniVI Its a history textbook.. not very

interesting unless you love history. It was very useful for class.

A storytelling approach that engages students with features to help them master core content, think critically, and make connections. The engaging narrative and carefully crafted, innovative pedagogical tools in *Western Civilizations* are based on the co-authors own teaching experiences. The text provides balanced coverage, places the West in a larger global context, and carefully integrates new research. In the eighteenth edition, the early modern period has been completely overhauled and now includes a new chapter on the Atlantic World.

About the Author Joshua Cole is Professor of History at the University of Michigan. Specializing in the social and cultural history of France since the Revolution of 1789, he earned his Ph.D. at University of California at Berkeley. He is the author of *The Power of Large Numbers: Population, Politics, and Gender in Nineteenth-Century France* (2000). Carol Symes is an Associate Professor of history and Director of Undergraduate Studies in the history department at the University of Illinois, Urbana-Champaign, where she has won the top teaching award in the College of Liberal Arts and Science. Her main areas of study include medieval Europe, especially France and England; cultural history; history of information media and communication technologies; history of theatre. Her first book was *A Common Stage: Theater and Public Life in Medieval Arras* (2007).
