The most pedagogically innovative text and media for the western civilizations course now more current, more global, and more interactive. The balanced narrative in Western Civilizations has been bolstered with new and current scholarship highlighting new environmental history, more coverage of Central and Eastern Europe, and increased

coverage of European and Muslim relations making it the most up-to-date and relevant text for students. In addition, Cole and Symes have enhanced their pedagogically innovative text with new History Skills Tutorials, Interactive Instructor's Guide, and Norton InQuizitive for History, making the Nineteenth Edition a more interactive and effective teaching and learning tool.
