Required for my classBy UnityInDualityThis book was required for my class, well not this edition, the newer edition but I got my professors OK to order one edition older than the class required. That way the book was very very cheap. It's easy to read. The font was OK for me and I'm over 40. It did the trick.0 of 0 people found the following review helpful. Five StarsBy theresa cusmanoIt's good. I'm enjoying the readings and learning a lot.0 of 0 people found the following review helpful. Three StarsBy JayI got what I paid for. That's all that matters.

A pedagogically innovative new edition of the most-balanced and best-selling western civilizations text of all time. New to the Western Civilizations team, master teachers and scholars Joshua Cole (University of Michigan) and Carol Symes (University of Illinois, Urbana-Champaign) have integrated innovative pedagogical tools into the text to help students and instructors achieve their course objectives, while incorporating the latest scholarship into this highly readable, balanced, and beautifully written book.
