**Roy Matthews, Dewitt Platt : Western Humanities, Vol. 2: The Renaissance to the Present** before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Humanities, Vol. 2: The Renaissance to the Present:

1 of 1 people found the following review helpful. book reviewBy gail flemingi needed to purchase this book for school. I was nervous with the subject but found the book to be helpful. It was easy to understand and had a lot of interesting information. It was an on line class so I relied on this book for a lot. I did do very well in the class.0 of 0 people found the following review helpful. mostly yesBy Blissfor the most part yes, but it had several torn pages. it was very hard to find though, so I was just happy to finally find it.0 of 3 people found the following review helpful. Fast shipping, great conditionBy CustomerThe book was just what I needed for class. It came sooner than I expected it to and the condition was nearly perfect. I am very satisfied with it.

This chronologically organized introduction to the Western humanities (art, music, history, literature, and drama) establishes the historical context of each era before the arts are discussed. Hundreds of illustrations appear throughout the text, "Personal Perspectives" boxes bring to life the events of the day, and brief sections at the end of each chapter describe the cultural legacy of the era discussed. Volume II of *The Western Humanities* covers the period from the Renaissance through the present.
