This matter puts the drawing line where it belongs. You also learn Biblical bases and standards America has always lived and stood by and clarity to the chaos of what is currently transpiring today. You learn the truth of problems that existed in the beginning of our nation and how Jefferson purchased the Quran to fully comprehend the basis of what was transpiring then to get a fuller comprehension of the people and the reasoning behind why they reacted and did what they did pirating American ships. It is always a good thing to see the full perspective of matters, situations and circumstances as Jefferson did. For this reason I would suggest this book.5 of 5 people found the following review helpful. WHAT EVERY AMERICAN NEEDS TO KNOW ABOUT THE QUR'AN - A HISTORY OF ISLAM THE UNITED STATES You will be fascinated by this fast-paced, objective history of the world from a perspective you have never imagined. Current events will come into focus in the back drop of 1,400 years of inconceivable yet true events and conflicts. Thousands of books, documents and articles have been researched over several years in preparation for this book. In 2006, Keith Ellison became the first Muslim elected to the United States Congress. He swore in on a Qur'an. Most Americans know little about the Qur'an, who wrote it and how Islam spread. Within 100 years of Mohammed's death, his followers conquered North Africa, the Holy Land, Persia, Spain - from the Indian Ocean to the Atlantic Ocean. President Barak Obama stated in Cairo, Egypt, June 4, 2009: "Islam has always been a part of America's story." Indeed, Islam has affected the Western World for 1,400 years, from 622 AD to today's headlines. This book will give you a fascinating glimpse into captivating events and amazing stories- you won't want to put it down! Find answers to how Islam is connected to: The stirrup for riding horses, who invented it and how Muslims used it to win military conquests?
