Adam Hamilton : When Christians Get It Wrong (Revised) before purchasing it in order to gage whether or not it would be worth my time, and all praised When Christians Get It Wrong (Revised):

1 of 1 people found the following review helpful. I truly love this bookBy SarahI truly love this book. My mother in law (who is a pastor) referenced it to me last week when I mentioned that I was struggling with my faith and have been for several years. I haven't had the best experiences with going to church in my time as a Christian. Although I have had wonderful luck with church camps, youth groups and small groups-I've run into some people who have made me question what I thought I knew about God and Christianity in general. This book helped to reassure me that I'm not alone in a lot of what I believed the truth in Christianity to be. So I'm very glad I read it, it came at a perfect time and has helped me feel more comfortable about my beliefs and encouraged me to keep looking for some answers.3 of 3

people found the following review helpful. Perfect for new believers and mature Christians as well
By Brenda B. This is one of the most honest, thought-provoking Bible-based books that I've read in a long time. As millions of young people today turn away from organized religion, we as Christians need to show them that we are loving, forgiving, humble servants of God, and not the judgmental, politically motivated hypocrites that some portray us to be. Pastor Hamilton has a wonderful way of bringing out biblically based facts that show us how to live, and explain to possible new Christians what living a Jesus based life is really all about.

Reversing the loss of young people in the church by self examination of our actions and Christian witness
By Alta Ralston Our adult Sunday school class has done a few of Adam Hamilton's books. He has a writing style that is understandable and he raises a lot of challenging issues that Christian churches need to examine, discuss, and address. I like the thought provoking study and ideas that he brings out from his research. In this book he is addressing why many young people are leaving the church and the self examination that churches need to consider to reverse this trend and how we can be a better witness for our faith.

More and more young adults have opted out of Christianity and the church. The reason? Christians. When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the hows and whys of Christians getting it right when it comes to being Christ in the world. Those who read *When Christians Get It Wrong* will gain a different way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith. Because, honestly, if we don't start getting it right, we may lose an entire generation. Revised and updated in a new convenient trim size.

About the Author Adam Hamilton is senior pastor of The United Methodist Church of the Resurrection in Leawood, Kansas, one of the fastest growing, most highly visible churches in the country. The Church Report named Hamilton's congregation the most influential mainline church in America, and he preached at the National Prayer Service as part of the presidential inauguration festivities in 2013 and was appointed to the President's Advisory Council on Faith-based and Neighborhood Partnerships. Hamilton is the best-selling and award-winning author of *Creed*, *Half Truths*, *The Call*, *The Journey*, *The Way*, *24 Hours That Changed the World*, *John*, *Revival*, *Not a Silent Night*, *Enough*, *When Christians Get It Wrong*, and *Seeing Gray in a World of Black and White*, all published by Abingdon Press.
