**B. J. ter Harr : White Lotus Teachings in Chinese Religious History** before purchasing it in order to gage whether or not it would be worth my time, and all praised White Lotus Teachings in Chinese Religious History:

This text draws in a variety of primary sources, including histories, gazetteers, canonical records, memorials and essays, as well as secondary studies in Chinese, Japanese, English and French, in order to examine the White Lotus

teachings in Chinese religious history.
