Gautam Chatterjee : White Shadow of Consciousness: Re-cognition of the Actor before purchasing it in order to gage whether or not it would be worth my time, and all praised White Shadow of Consciousness: Re-cognition of the Actor:

This is a creative manifestation of a long, on-going, deepest realization in a Tantrik vision i.e. expanding timeless wisdom in present time, in a dynamic manner, first time encapsulated in this book. This is a creative flash came out from the inmost being of an aspirant of Shiva. The worldwide serious debate on consciousness has now become off-the-cuff interaction in science and philosophy, especially in neuroscience and brain science, and also in metaphysics. The entire conversation has been shifted from experiencing what is without an atom of psychological yesterdays in terms of recent findings . The semantic allegory White Shadow; comprehends all the problems related to pain, evil and existence, epistemological as well as ontological proof of pure consciousness, and elucidates our integral presence in relation to divine tranquility.

About the Author With a great lineage of Pandit Ishwarchandra Vidyasagar and Pandit Suniti Kumar Chaturjya, Gautam Chatterjee is, in his childhood, initiated with the benediction of Pt. Gopinath Kaviraj, and has been a close associate of Thakur Jaidev Singh and Pt. Vraj Vallabh Dwivedi in the discipline of Kashmir Saivism. He is the founder president of Abhinavagupta academy, a centre for consciousness studies in Benaras, developed a lucid way to Yoga practices to enrich the richest tradition of monistic Saivism in Kashi, spiritually and ontologically, and also

metaphysically. Engaged in translating Tantraloka a magnum opus by Abhinavagupta from Sanskrit to English (four volumes have been published), Shree Gautam teaches conscious communication in Banaras Hindu University.
