Dr. Clyde W. Ford : Wind Between the Worlds: Captured in Tibet before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wind Between the Worlds: Captured in Tibet:

5 of 6 people found the following review helpful. Interesting historical account By Marcelo G Silva This is a very

interesting historical account of the last days of independent Tibet, narrated from a first-hand perspective. The interesting account starts with the author working for the Kingdom of Tibet as a telecom specialist, the dangers of the imminent invasion and the period he spent as a prisoner of the Chinese. Very interesting reading.
