**Brian A. Pavlac : Witch Hunts in the Western World: Persecution and Punishment from the Inquisition through the Salem Trials (Extraordinary World)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Witch Hunts in the Western World: Persecution and Punishment from the Inquisition

through the Salem Trials (Extraordinary World):

0 of 0 people found the following review helpful. Five StarsBy [laura perryman](#)Great academic read0 of 0 people found the following review helpful. Five StarsBy [Bl](#)Amazing study of the topic. Well written3 of 4 people found the following review helpful. ExcellentBy [Timothy](#)I am impressed with this book. It is well written, objective, thoroughly researched and good for either the general reader or professional historian. It is a great introduction to the subject of witch hunts placing them well within in their medieval context. Thus, the reader not only learns a great deal about the nature of witch hunts but also the medieval world in which these events occurred. I would recommend it as a good supplement for any medieval history course. If one has never read on this topic, then I would highly recommend it to be on your bookshelf. Definitely five stars and well worth every cent. A joy to read.

This in-depth and comprehensive resource explores the intersection of religion, politics, and the supernatural that spawned the notorious witch hunts in Europe and the New World. *Witch Hunts in the Western World* traces the evolution of Western attitudes toward magic, demons, and religious nonconformity from the Roman Empire through the Age of Enlightenment, placing these chilling events into a wider social and historical context. Brian A. Pavlac discusses witch hunts in fascinating detail by region, highlighting the cultural differences of the people who incited them as well as the key reforms, social upheavals, and intellectual debates that shaped European thought. Vivid accounts of trials and excerpts from the writings of both witch hunters and defenders throughout the Holy Roman Empire, France, the British Isles and colonies, Southern Europe, Scandinavia, and Eastern Europe bring to life one of the most intriguing and shocking issues in Western history.

**About the Author**Brian A. Pavlac is the Herve A. LeBlanc Distinguished Service Professor and chair of the Department of History at Kings College in Wilkes-Barre, Pennsylvania. He is the author of *A Concise Survey of Western Civilization: Supremacies and Diversities throughout History* and the translator of *Balderichs Warrior Bishop of the Twelfth Century: The Deeds of Alberic of Trier*.
