T. Pintchman, R. Sherma : Woman and Goddess in Hinduism: Reinterpretations and Re-envisionings before purchasing it in order to gage whether or not it would be worth my time, and all praised Woman and Goddess in Hinduism: Reinterpretations and Re-envisionings:

Offering multilayered explorations of Hindu understandings of the Feminine, both human and divine, this book emphasizes theological and activist methods and aims over historical, anthropological, and literary ones.

"The role of the female within the Hindu tradition is both varied and vigorous, as the multiple contributors to this text reveal. They bring together scholarship and sensitivity in conveying unique dimensions and valuable perceptions of that role. This book is an important read for anyone seeking to comprehend female spirituality and divinity in the Hindu context." - Ramdas Lamb, Associate Professor of Religion, University of Hawaii at Manoa

"The essays in this outstanding volume successfully avoid the common pitfalls of, on the one hand, objectifying and exoticizing the various Hindu categories and concepts with which they engage, and on the other, of deploying these same categories and concepts in a simplistic and uncritical manner. The hermeneutics of intersubjectivity that the authors skillfully apply to their materials should be a model for future work in the field of Hindu studies." - Jeffery D. Long, Associate Professor of Religion and Asian Studies, Elizabethtown College, and author of *A Vision for Hinduism: Beyond Hindu Nationalism and Jainism: An Introduction*

"This book skillfully addresses all things feminine in Indian traditions: goddesses, female gurus, the lives of Hindu women, and more. Includes many excellent new translations of key passages from Sanskrit literature." - Christopher Key Chapple, Doshi Professor of Indic and Comparative Theology, Loyola Marymount University

About the Author
TRACY PINTCHMAN is a Professor and Director of the International Studies Program at Loyola University Chicago, USA. RITA SHARMA is Director of the Institute For Theology Beyond Boundaries and Executive Director of Philosophy and Religious Studies at Taksha Institute, Hampton, USA.
