For used, I am quite pleasedBy This MomI was aware that I was renting a used textbook, and while there is some highlighting throughout the book, I can't complain. All the pages are intact and the binding is in great shape.0 of 2 people found the following review helpful. Not bad!By ttonneBook wasn't in the greatest shape according to what was discribed but what can we spect out of used book?Got the book on time and for a great price! I'm satisfied!

A chronological survey of the role and experience of women in American history, *Women and the Making of America* examines the issue of power in womens lives and womens history. Examining relationships between men and women as well as the diverse experiences of different women, the book explores how women were central to the making of

Americas history.
