From Brand: McGraw-Hill : World Civilizations: Sources, Images and Interpretations, Volume 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Civilizations: Sources, Images and Interpretations, Volume 2:

Photographs, illustrations, maps, charts, and texts are celebrating the arrival of a larger size and beautiful colors to the fourth edition of World Civilizations: Sources, Images, and Interpretations. This collection of primary, secondary, and visual sources for world history survey courses offers a broad introduction to the materials historians use and the interpretations historians make. This text also provides introductions, commentaries, guides, and questions, making it a truly valuable source for world history courses. The selections and accompanying notes, drawn from a vast spectrum of approaches, provide insight into how historians work and place the material in a context that furthers readers

understanding.
