Kevin Reilly : Worlds of History, Volume II: Since 1400: A Comparative Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised Worlds of History, Volume II: Since 1400: A Comparative Reader:

0 of 0 people found the following review helpful. ExcellentBy JohnI learned a lot from this book for my History 2C class, world history. It provides excellent passages and even excellent psychology (in my opinion) of past historical figures events. It provides correct insight on how to look at history and observe its content through many well chosen

documents.0 of 0 people found the following review helpful. Some really good articles, and others which written in turgid prose ...By John D. Some really good articles, and others which written in turgid prose that only a professional historian (or student who was forced to read the book) would bother drudging through. The book was assigned to my daughter for a class, so she had no choice.0 of 0 people found the following review helpful. ... ordered this book for a class and it was pretty good with explaining the significance of historical documentsBy R. LarsonI ordered this book for a class and it was pretty good with explaining the significance of historical documents, but the text was pretty dry.

Worlds of History offers a flexible comparative and thematic organization that accommodates a variety of teaching approaches and helps students to make cross-cultural comparisons. Thoughtfully compiled by a distinguished world historian and community college instructor, each chapter presents a wide array of primary and secondary sources arranged around a major theme such as universal religions, the environment and technology, or gender and family across two or more cultures.

About the AuthorKevin Reilly is a professor of humanities at Raritan Valley College and has taught at Rutgers, Columbia, and Princeton Universities. Cofounder and first president of the World History Association, Reilly has written "numerous articles on the teaching of history, and has edited a number of works in world history including "The Introductory History Course" for the AHA and the "World History" syllabus collection. A specialist in immigration history, Reilly incorporated his research in creating the "Modern Global Migrations" globe at Ellis Island. His work on the history of racism led to the editing of "Racism: A Global Reader." He was a Fulbright scholar in Brazil and Jordan and a NEH fellow in Greece, Oxford UK, and India. Awards include the Community College Humanities Association's Distinguished Educator of the Year and the World History Association's Pioneer Award. He has also served the American Historical Association in various capacities, including the governing Council. He is currently writing a global history of racism."
