Ms Sigrun Bjork Olafsdottir : Ye Ole Norse Calendar 2017: A Viking Period Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Ye Ole Norse Calendar 2017: A Viking Period Calendar:

This is not your normal Gregorian calendar but an old Norse / Icelandic calendar for 2017 which has been integrated with the Gregorian calendar for easy understanding. The Old Norse calendar is in the forefront and the Gregorian in the background (to prevent you from missing that all important meeting). The calendar features the Old Norse seasons, months and periods. It features important Asatru dates such as blots, equinox festivals, remembrances and historic dates. It offers brief explanations of each month as well as each blot / celebration. The 2017 edition is

decorated with runic stones and creative mythological imagery.
